NEPA ENVIRONMENTAL CHECKLIST (EC) AND EC REVIEW FORM - JEE-0002-92

Enclosed is a copy of a National Environmental Policy Act (NEPA) Environmental Checklist (EC) for the Rocky Flats Plant (RFP) that has been reviewed by the plant NEPA Compliance Committee (NCC). The NCC, along with the plant NEPA Division, has recommended a Categorical Exclusion (CX) for the project listed below, and a draft CX is enclosed for your use. Also enclosed is a diskette with the information for your convenience. Since this project is funded by Environmental Restoration and Waste Management (EM), appropriate signatories have been indicated.

EC7191

Site Characterization Field Work for OUs 3, 4, and 9

Please provide a NEPA determination for this project. EG&G will not proceed with this project until we have received the signed Categorical Exclusion, if determined by DOE to apply, though we understand we are not required to wait for Environment, Safety and Health (EH) concurrence.

Please contact Steve Nesta, NEPA Division on 273-6076, or Kathy London, NEPA/Environmental Documentation on 273-6189, if further information is needed.
